### **FRUIT OF THE WORD**

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.

#### **Mt 13:1-23**

**“The one who hears the Word and understand it . . .Beards fruit and yields a hundred or sixty or thirty fold.”**

The people who heard Jesus tell the parable of the sower would have understood: seeds that fall on fertile ground would have a better chance of producing than seeds that landed on a path or rocky ground. Jesus was aware that they may not have understood the deeper spiritual and philosophical meaning of the story. Recalling the words of Jeremiah [5:21] “You foolish and senseless people, who have eyes and do not see, who have ears and do not hear” and quoting Isaiah [6:9] Jesus said, “Whoever has ears ought to hear.” When the others departed the disciples asked Jesus to explain to them the meaning of the story. He reveals that the seed represents the Word he has come to proclaim and live. Some will hear the Word but loose interest; some will find it challenging and abandon it; but some will hear the Word and accept it and live it regardless of the difficulties and risk. The disciples understood and produced “a hundred or sixty or thirty fold.” Do we understand? How much are we producing?

## TREASURES FROM OUR TRADITION

Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word “Eucharist” comes from the Greek for “thanksgiving.” For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.
