COURT MASSABIELLE TO CELEBRATE ITS 90TH ANNIVERSARY
Catholic Daughters of the Americas

Court Massabielle, Morgan City's first and only Court of the national organization, Catholic Daughters, was chartered August 25, 1929. Fr. Souby, in July of 1929, petitioned the state and then the national organizations for help. He then set about recruiting ladies of the parish who would be interested in becoming members. Through to this day, the local organization has continued its work in the parish, its support of Catholic education by supporting Catholic schools and seminarians. Members pray the rosary at wakes. Their fundraising activities allow them to support the work of local charities. Their members earn service hours by providing the parish with help with Lenten meals, and office support in various forms. You can read more about the good works of this organization on the backside of this month's activity calendar.

The anniversary celebration will consist of members attending the Vigil Mass on Saturday, August 17th, and will continue with a banquet for its members in St. Joseph Hall.

TREASURES FROM OUR TRADITION

When Pope Pius XII died in 1958, there was the usual buzz of speculation about likely successors. Cardinal Agagianian, Patriarch of the Armenians, was highly thought of as a likely choice. This took many Catholics by surprise, since he had never celebrated the same liturgy as Pope Pius, but followed ancient Armenian customs according to the Eastern Church, which veils the Eucharistic liturgy from sight by a series of curtains, and in which the priest kneels while the people stand for Communion.

In the years that followed, the Second Vatican Council would affirm the dignity and independence of the Eastern Churches, in complete union with Rome, yet different in patterns of life and worship. We have the same faith, the same sacraments, and the same pope. Yet everywhere in the world our separate Churches are combined into families held together by the ministry of bishops. All of this serves as warning: If you ever say, “But we’ve always done it this way,” you are on very thin ice indeed!
