FRUIT OF THE WORD

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.

**IN HONOR OF
OUR LADY STAR OF THE SEA
42nd ANNIVERSARY
SUNDAY, JULY 30th, 7:00 P.M.
ROSARY TO BE PRAYED AT THE
STATUE SITE, BRASHEAR AVE.**

Prayer for the Hurricane Season

Lord, through the prayers of this faithful community and the intercession of Our Lady Star of the Sea, protect the lives and property of your people from the devastation of hurricanes and storms this hurricane season. We pray to the Lord.

TREASURES FROM OUR TRADITION

Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word "Eucharist" comes from the Greek for "thanksgiving." For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.
